B I C Y C L E S & A C C E S S O R I E S

Hi, it's me, your Le Grand citybike. I am delighted that you've selected me for the city rides. Tell me please, what did attract you to me? Was it my urban functionality, my timeless style or maybe this unique turquoise colour?

Did you know that my frame was designed in Poland by the Kross's designers? This distinguishes me from the other bicycles available on the market. Specialists have paid attention to each slightest detail, in order to match my graphics with the colour of the saddle, grips and basket liner.

I remind you that I am a natural born urban beast. My standard equipment will make your everyday commutes around the city effortless: full fenders protect your clothes from the rain, smart kickstand enables to "park" me easily and chainguard keeps your skirt clean and flying.

Do you remember first bicycles from the beginning of the XX century? These are my grand-grandparents. Bikes changed a lot after that time – definitely I am a modern product, however, you will still notice the retro spirit of those past times in my frame line.

And now surprise time: this year some of my modern friends decided to keep up with the times and take advantage of electric assistance. You don't believe me? Have a look at the next pages!

Hallo, hier bin ich dein Stadtrad Le Grand. Ich freue mich, du mich als den Gefährten von Stadtfahrten gewählt hast.

Sag' bitte, was dich in mir beeindruckt hat? Ob meine städtische Funktionsfähigkeit, ob überzeitlicher Stil, oder einfach diese einzigartige türkise Farbe? ;-)

Und weißt du, mein Rahmen in Polen durch Kross' Designer entworfen wurde? Das hebt mich von allen auf dem Markt zugänglichen Fahrrädern ab. Fachleute sorgten für jedes winzigste Detail, so dass meine Grafik mit der Sitz-, Griff- oder Korbfarbe im Einklang stehen.

Ich weise darauf hin, ich ein typisches Stadttier bin. Meine Standardausrüstung macht dein Fahren durch die Metropole leichter: ich meine z.B. volle Schmutzfänger zum Schutz deiner Kleidung beim Regen, die Stütze, dank welcher du mich schnell „parken“ kannst oder der Kettenschutz, der Hosenbeine vor Verschmutzung schützt.

Erinnerst Du dich an die ersten Fahrräder aus dem Anfang des XX. Jahrhunderts? Das sind meine Urgrosseltern. Seit damals hat sich viel geändert, denn ich bin sicher Effekt der Modernität, aber in meiner Linie findest du Anlehnung an Restrotil dieser Zeiten.

Und nun Überraschung: dieses Jahr einige meine moderne Freundinnen Lille entschieden sich den Zeitgeist zu folgen und elektrischen Antrieb zu nutzen. Glaubst du das nicht? Sieh bitte die nachstehenden Seiten!

Ich bin sicher, dass Anfang einer ungewöhnlichen Freundschaft wird.

Hola, soy tu bicicleta urbana llamada Le Grand. Muchas gracias por haberme elegido como tu acompañante de las excursiones urbanas.

¿Dime por favor, que es lo que te impresionó más respecto a mí? ¿Quizá, puede ser mi nueva funcionalidad urbana irreplicable, o quizá puede ser la mezcla elegante con un estilo atemporal o tal vez, este color maravilloso y único turquesa?

¿Das cuenta que mi marco ha sido fabricado en Polonia por los mejores diseñadores de bici contratados por la empresa Kross? Es lo que me distingue entre otros modelos de bicicletas existentes en el mercado. Los profesionales se encargaron de cada, aun el mas pequeño detalle para asegurar que mi aspecto grafico sea correspondiente al color del sillín, puños o relleno de cesta.

Te quiero recordar que soy un animal típicamente urbano. Mis accesorios estándar te moverán muy rápido pasar por las calles de cada metrópolis: cabe destacar que no son solo los guardabarros completos que mantienen la bici y tu ropa más limpias, especialmente durante la lluvia, la portabici, por la que podrás “aparcarme” o adherirme fácilmente al suelo o a la pared o el cubre cadena completa que facilita la protección de tus piernas y pantalón ante suciedad.

¿Recuerdas las primeras bicis que nacieron a principios del siglo XX? De verdad, son mis bisabuelos. Desde este tiempo se han cambiado mucho, incluso yo mismo, he evolucionado muchísimo por convertirse a ser actualmente, y absolutamente, a un producto de la modernidad, sin embargo, dotado de un diseño típico para esta serie refiriéndose y correspondiendo al estilo retro en vigor en esos tiempos pasados.

Ahora, es tiempo de presentarte nuestra sorpresa: este año, algunas damas más modernas de serie Lille han decidido seguir avanzando, adoptándose y aprovechando la tecnología robótica que ofrece un acelerador o transmisión eléctrica al pedaleo, una opción para circular más cómodo y conseguir más autonomía. ¿No lo crees? ¡Accede las siguientes paginas!

Estoy seguro de que esta opción facilitara entablar una nueva amistad muy extraordinaria.

Привет, это я, твой новый городской велосипед Le Grand. Я рад, что ты выбрала именно меня в попутчики для поездок по городу.

Скажи, что тебя во мне восхитило? Моя функциональность для города или вневременной стиль, а может, просто неповторимый бирюзовый цвет? ;)

А ты знаешь, что моя рама разработана в Польше дизайнерами фирмы Kross? И это меня выделяет среди других велосипедов, предлагаемых на рынке. Специалисты позаботились о каждой детали, так чтобы дизайн рамы сочетался с цветом седла, ручек и вкладыша в корзинку.

Напоминаю, что я чисто городской зверь. Мое стандартное оборудование облегчит тебе передвижение по мегаполису: я говорю о сплошных крыльях, защищающих твою одежду во время дождя, подножке, которая позволит быстро «припарковаться» и защите цепи, которая предохранит штанины от грязи.

Помнишь первые велосипеды начала XX века? Это мои прапрапрадедушки. С тех пор многое изменилось, так как я определенно являюсь продуктом современности, но в моем силуэте ты узнаешь ретро-стиль тех времен.

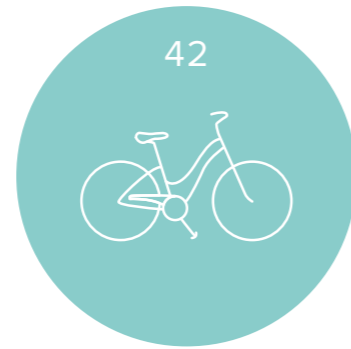

А теперь сюрприз: в этом году некоторые мои модные подружки модели Lille решили идти в ногу со временем и обзавестись электромотором. Не веришь? Взгляни на следующие страницы!

Я уверена, что это станет началом необычной дружбы.

## COMMUTE, FREELANCE... AND RELAX

She put the laptop inside black stylish pannier and attached it to the rack of her beloved bike. It was 9 a.m. and she was already on the go. She had some meetings ahead all around the city. She knew her schedule was tight, but as she goes by bike, traffic jams don't affect her. That's why she found some time for the morning cup of good coffee in her favourite café. Instantly she realized that the joy of bike ride make it possible to chill out even during the busiest times in the city.

Sie warf den Laptop in ihre Tasche hinein und hängte sie an den Gepäckträger ihres beliebten Damenfahrrads an. Sie war schon vor 9.00 Uhr auf dem Weg. Vor ihr waren ein paar Geschäftstreffen und jedes am anderen Ende der Stadt. Sie wusste, dass ihr Terminkalender gespannt war, aber das Bewusstsein, dass sie doch das Fahrrad fahre und dem Stau nicht ausgesetzt sei, bewirkte, dass sie doch ein bisschen Zeit fand, um eine Tasse Morgenkaffee in ihrem beliebten Cafe zu trinken. Und dann kam ein Gedanke, dass sie das Fahrradfahren entspanne, sogar an einem höchst beanspruchten Tag.

Ella puso su portatil al bolso y lo fijó al portabultos de su bicicleta femenina. En el viaje estaba ya antes de las 9 de la mañana. Por delante ha tenido varias reuniones, cada uno en el otro extremo de la ciudad. Sabía que tiene la agenda ocupada, pero consciente de que es sobre los atascos de tráfico porque tiene la bici, ha encontrado un momento para tomar una taza de café en su cafetería favorita. Ella ha entendido inmediatamente que paseó en bicicleta puede relajarse mientras los momentos más laboriosos en una ciudad.

Закинула ноутбук в сумку и прикрепила ее к багажнику своей любимой дамки. Еще не было 9 утра, а она уже была на трассе. Впереди ее ожидало несколько встреч, и все в разных концах города. Она знала, что у нее загруженный график, однако благодаря осознанию того, что она едет на велосипеде и пробки ей нипочем, ей все же удалось найти свободную минутку, чтобы выпить утреннюю чашечку хорошего кофе в любимом кафе. И в тот момент ее посетила мысль, что именно за такие минуты маленьких удовольствий и радости, которую ей доставляет каждая прогулка на велосипеде, она столь сильно любит этот шумный и оживленный город.

LET THE  
ADVENTURE BEGIN!

As soon as it gets warm, we can't stay at home during the weekend. Because weekend means bike! This time we decided to do a crazy thing. We caught a local train, of course with our two-wheelers, and decided to get off on the first station starting with the letter „S”. We immediately ducked into the forest... and kept on cruising without any rush, admiring the blooming trees and flowers for the next couple of hours. From this time on, we use to call such trips „plant safari”.

Wenn es nur warm wird, niemand und nichts kann uns zu Hause anhalten. Das Wochenende bedeutet nur das Fahrrad. Diesmal haben wir uns auf etwas Untypisches entschieden und wir sind mit dem Fahrrad in einen Regio-Zug eingestiegen. Nach dem Plan sind wir auf der ersten Station ausgestiegen, die mit dem Buchstaben „S” beginnt. Gleich sind wir tief in den Wald eingetaucht. Ohne Eile sind wir über ein paar Stunden durch den Wald gefahren und die zum Leben erwachende Natur bewundert. Seit der Zeit nennen wir solche Ausflüge „Natur – Safari”.

Quando hace sol, no podemos quedarnos en casa el fin de semana. Porque el fin de semana significa la bici. Esta vez hemos decidido hacer algo loco y hemos subido al tren suburbano con las bicicletas. Según el plano hemos bajado en la primera parada, que su nombre empieza por la letra “S”. Inmediatamente fuimos al bosque...y montando en bicis hemos mirado a la naturaleza que se ha despertado a la vida. Desde ese momento los paseos similares llamamos “los safaris vegetales”.

Как только на улице становится тепло, ничто не может нас удержать дома в выходные дни. Ведь выходные - это велосипед. В этот раз мы решили действовать нестандартно и сели с велосипедами в пригородный поезд. Согласно плану мы вышли на первой станции, название которой начинается на „С”. И сразу же нырнули в лес... и так не спеша крутя педали, любовались в течение следующих нескольких часов пробуждающейся природой. В такие моменты подобного рода прогулки мы называем „лесным сафари”.

-  Велосипеды из серии COMFORT разработаны с учетом комфорта езды как в городских джунглях, по парковым аллеям, так и по лесным тропинкам - они созданы для отдыха.

ARTISTIC SPIRIT  
AND TOUCH OF  
DECADENCE

It was a perfect day for hanging around the city. As soon as he hopped on his bike and rode down the narrow paved street, he noticed the sound of his brass bell ringing on the cobble stones. How much he appreciated his comfy saddle! He stopped on the traffic lights while the girl on a stylish dutch bike... smiled at him and soon after rode in the opposite direction. He wondered: what if I had just passed the love of a lifetime? It can't be like that! He turned back pedaling quickly and caught up with the girl. She noticed him smiling again and said: „Fancy bike...”

Das war ein guter Tag, um durch die Stadt zu streifen. Als er sich nur aufs Fahrrad setzte und die Straße entlang fuhr, erinnerte er sich, wie er den Klang der Fahrradklingel auf den Kopfsteinpflastern und... den sanften, bequemen Sattel seines Fahrrads mag. Er hielt an der Ampel, am stilvollen Holländer an und sie lächelte ihn an... und beide sind in zwei verschiedene Richtungen gefahren. Er ist hingefahren und dachte unterwegs, Habe ich gerade die Liebe meines Lebens verloren? So darf ich sie nicht loslassen! Er kehrte zurück und trat in die Pedale so viel Kraft er in seinen Beinen hatte, er holte sie ein. Als sie ihn bemerkte, lächelte sie ihn wieder an und sagte: „Was für ein schönes Fahrrad“...

Ese día fue ideal para andar por la ciudad. Cuando él subió a la bici y fue por la calle de empedrado, recordaba como le gusta el tono de timbre que suena en los adquirines y... el sillín muy cómodo de su bici. Paraba en la calle en la bici femenina de estilo, y ella... se sonría a él y... cada uno se fue en su dirección. Iba y pensaba: y ¿ si acaba de pasar con el amor de su vida? ¡No se puede simplemente dejarlo! Entonces se volvió y pedaleó tan rápido para alcanzar a esa chica. Tan pronto como ella le notó, ella sonrió de nuevo, diciendo: “que bicicleta tan bonita “...

Это был идеальный день для шатания по городу. Как только он сел на велосипед и поехал по выложенной брусчаткой улице, он вспомнил, насколько сильно ему нравится звук звонка, разносящийся над бульжной мостовой и... мягкое и удобное сиденье его велосипеда. Он остановился на светофоре на своей стильной дамке, а она... улыбнулась ему и... каждый из них продолжил свой путь. Он ехал и думал: а что если я только что упустил любовь всей своей жизни? Этого ни в коем случае нельзя было допустить! Поэтому он развернулся и что было сил крутя педали, догнал девушку. Только увидев его, она ему снова улыбнулась, сказав: „классный велосипед”...

## THE BEST MOMENTS OF LIFE

Finally it's spring so all the flowers and trees are in full bloom. It is good to be a student but sitting inside the university room is tiring especially when you can meet your girlfriend for a picnic in the park. He hopped on his bike, passing by a local bakery. He bought some croissants - the breadcrumbs will be left for sparrows. Then he dropped by the grocery and picked some ripe strawberries – his girlfriend is very fond of them. He could be cruising like this all day long but she was waiting for him in the park. And riding together is the best thing!

Endlich eine Pause im Unterricht. Das war ja Mai, alles blühte. Es ist super, studieren zu können, aber an einem solchen Tag ist es schwer, an einer Bank im Unterricht zu sitzen. Besonders wenn ich mich mit einem Mädchen im Park für einen Picknick verabreden möchte. Er hat sich ans Fahrrad gesetzt, unterwegs kam er noch in eine Bäckerei. Beim Picknick müssen Hörnchen dabei sein und dann bleiben die Krümel für die Vögel. Danach ist er auf den Markt gefahren und warf in den Korb die Erdbeeren hinein. Seine Freundin mag sie sehr. Er konnte so den ganzen Tag lang hin- und herfahren, aber sie wartete schon auf ihn im Park. Und fahren kann man immer weiter zu zweit.

Por fin un rato de descanso. Estabamos a mayo, todo florecía, es muy divertido estudiar, pero en los días calurosos como ese, es difícil sentarse en clase...especialmente cuando se puede quedar con su novia para un picnic en el parque.

Entonces subió a la bici, pasó por la panadería. En el picnic tiene que tener unos cruasanes para tener unas migajas para dar a comer a los pajaritos. Después fue a un mercadito y puso a su cesta las fresas, a su novia le gustan. Quería montar en bici todo el día, pero su novia ya esperaba en el parque...se puede montar siempre y es mejor si se puede hacerlo en parejas.

Наконец-то перерыв в занятиях. Наконец-то наступил май, все вокруг цвело, даже учиться было приятно, однако в такой день как этот, трудно было усидеть на занятиях... особенно когда можно договориться с девушкой и устроить небольшой пикник в парке.

Поэтому он сел на велосипед, по пути заскочив в пекарню. Для пикника обязательно нужны рогалики, после которых останутся крошки для птиц. Потом он заехал на рынок - и в корзинке появилась клубника - ведь его девушка ее очень любит. Он мог бы так ездить весь день, но ведь она уже ждала его в парке... а покататься можно всегда успеть, а лучше всего вдвоем.

## PURE SUMMER PLEASURE

Ice-cream, cotton candy or maybe a basket of ripe raspberries? It was a hard decision to take for cruiser riders who just entered the seaside promenade. Suddenly they stopped, took a look around and agreed to keep their options open, taking into account the marvellous views. They took off their flip-flops, put them in the bike basket and found their perfect place on the beach. It was the beginning of sunset.

Eisbombe... Waffeln... Zuckerwatte... und vielleicht die Himbeeren? Eine solche Wahl war von den Cruiser- Fahrern zu treffen, als sie auf eine Meerespromenade hingefahren sind. Und dann standen sie, schauten sie um und wegen der schönen Meereslandschaft haben sich entschlossen, eine Entscheidung irgendwie später zu treffen. Sie haben also ihre Flip-Flops ausgezogen, in den Fahrradkorb hineingeworfen und ihren Platz am Strand gefunden. Die Sonne ist gerade langsam untergegangen.

¿Los helados... los gofres... el algodón de azúcar... o las frambuesas? Es una elección muy difícil que tenían que hacer los que iban en las bicis cruiser cuando fueron al malecón. Después se pararon, miraron a su alrededor y por hermosas circunstancias naturales, decidieron dejar para más adelante la decisión. Quitaron las chanquetas, las pusieron a la cesta de bici y encontraron un sitio en la playa. En ese momento había la puesta del sol.

Мороженое... вафли... сахарная вата... а может, малина? Именно такой сложный выбор предстояло сделать велосипедистам-круизерам, когда они выехали на приморский бульвар. А потом они остановились, осмотрелись вокруг и учитывая красоту окружающей природы, решили отложить принятие решения на неопределенное „потом”. Сняли сандалии, закинули их в корзинку велосипеда и нашли себе место на пляже. Был закат, солнце клонилось к горизонту.

## PLEASANT AND WITHOUT ANY RUSH

 CRUISER line bikes were created based on the designs of “beach” bicycles dating back to the 30’s of the twentieth century. Thick wheels, comfy saddles and upright position that makes for admiring the surroundings, mean that even in the city you may feel like on holidays.

 Das Fahrrad von CRUISER-Linie ist aufgrund der Projekte von Strandfahrrädern aus den 30er des 20. Jahrhunderts entstanden. Der Hauptgrundsatz von den Fahrrädern war ihre Bequemlichkeit. Die dicken Räder, sanfte Sättel und aufrechte Körperhaltung ermöglichen, die Umgebung zu bewundern und bewirken, dass man sich sogar in der Stadt wie in den Sommerferien fühlen kann.

 Las bicicletas de la serie CRUISER fueron creadas en base de los proyectos de las bicis de la playa de los años 30 del siglo XX. Su regla principal fue la comodidad. Las ruedas anchas, los sillines blandos y la postura estirada hacen que aun en la ciudad se puede sentirse como en las vacaciones.

 Велосипеды из серии CRUISER разработаны на основе моделей „пляжных” велосипедов 30-х годов XX века, основной задачей которых был комфорт. Благодаря толстым колесам, мягким сидениям и прямой посадке, удобной для любования окрестностями, даже в городе можно почувствовать себя как в отпуске.

## WHAT A RACE!

First we needed to complete the team. Everybody wanted to pimp up his bike so we needed some extra time. Boys polished the frames, the girls installed the fancy bells. And so it began. Someone brought the start flag, the other counted down 3...2..1 and we raced till the end of the street! Who won? It's hard to tell, because it is not only the speed, but also the style that counts!

Zuerst muss man das ganze Team holen. Wir mussten ein bisschen warten, weil jeder das höchst gepflegte Fahrrad haben möchte. Die Jungen haben den Lack poliert und die Mädchen haben die meist abgefahrenen Klingeln zugeschraubt. Und dann ging es los. Jemand hat eine Flagge mit Schachbrettmuster mitgebracht, jemand hat abgezählt und dann sind wir bis zum Ende der Straße um die Wette gelaufen! Wer hat gewonnen? Es ist schwer zu sagen. Weil es nicht nur die Schnelligkeit zählt, aber auch der Stil, wie man gewinnt!

Al principio tuvimos que reunir todo el equipo. Había que esperar un poco porque cada uno quería tener la bici más bonita. Los chicos pulían y las chicas apretaban los timbres juveniles. Y después empezó. Alguien trajo una banderita ajedrezada, alguien contó y después corrimos en competencia hasta el final de la calle. ¿Quién ganó? Es difícil decir, porque hay que tener en cuenta no solo la rapidez, pero también estilo con que gana.

Сначала надо было собрать полную команду. Немного пришлось подождать, потому как каждый хотел, чтобы его велосипед был самым крутым. Парни полировали лаковое покрытие, а девушки прикручивали крутезные звонки. Ну а потом началось. Кто-то принес гоночный флажок, кто-то начал отсчет, после чего мы начали заезд на скорость до самого конца улицы! Кто победил? Сложно ответить, ведь тут важна была не только скорость, но и стиль достижения победы!

# Safety

 You love yourself and... your bike, so pay attention to security of both of you. Stylish helmet not only matches your dress, but most of all gives you confidence in the city. Colourful light keeps you visible and also corresponds with the colour of your bike. And when you need to leave your bicycle, use one of our locks to be sure that you will meet again in a while.

 Lieben Sie sich selbst und Ihr Fahrrad, denken Sie an gemeinsame Sicherheit. Ein stilvoller Radhelm passt nicht nur zu Ihrer Kleidung, aber vor allem gibt Ihnen eine Sicherheit in der Stadt. Eine bunte Lampe sorgt für die gute Sichtweite und spielt mit der Farbe Ihres Fahrrads. Und wenn Sie Ihr Fahrrad verlassen müssen, benutzen Sie eine Sperre, damit Sie die Sicherheit haben, dass Sie bald Ihr Fahrrad treffen.

 Te amas a ti... y a tu bicicleta, entonces cuida la seguridad de vosotras dos. Un casco distinguido no solo queda bien con tu ropa, pero sobre todo te hace más segura en la calle. Una lámpara que armoniza con el color de la bici también te hace más visible. Y cuando necesites alejarte de tu bicicleta, pon uno de los bloqueos para asegurarte de que os vais a ver de nuevo.

 Вы любите себя... и Ваш велосипед, поэтому заботитесь об общей безопасности. Стильный шлем не только подходит к Вашей одежде, но, прежде всего, придает Вам уверенность в городе. Цветная лампочка обеспечит видимость, гармонируя с цветом Вашего велосипеда. А когда Вам нужно расстаться с велосипедом, воспользуйтесь одним из замков, чтобы быть уверенной, что вскоре Вы снова встретитесь.
