Looking for a beautiful, functional, and modern city bike that's refined to the smallest detail? You've come to the right place!

Le Grand offers stylish city bikes both for city bike lanes and suburban paths. There's plenty for everyone: beautiful "Dutch", retro-style bikes in a timeless design for women, elegant and practical bikes for every occasion for men, and unforgettable first two-wheeled vehicles for kids. All of these bicycle wonders are designed in Poland by the constructors and experts at Kross.

Additionally, there's also something for fans of electrically assisted "two-wheelers"! Le Grand's bicycle collection for 2020 includes three Electric series models featuring a classic frame and a unique style. What's more, these one-of-a-kind bikes can be customized with beautiful accessories with materials and colors that'll delight every cyclist!

The results? Spectacular! Check out our other pages and see for yourself!

electric

*Electricity
in one finger.*

WOULD YOU LIKE TO GET TO YOUR DESTINATION FASTER?

Now you can cover longer distances in a shorter period of time. We know how important it is in the busy world. Daily commuting or weekend trip outside of the city will no longer be a problem!

DO YOU WALK SOMETIMES WITH YOUR BIKE?

Thanks to Walk Boost system, walking with your bicycle will be more effective, so you can spend time on other activities!

WOULD YOU LIKE TO ALWAYS BE NUMBER ONE?

Thanks to perfect acceleration, efficient start after stopping won't cause any difficulties. Pole position from lights guaranteed!

BAD WEATHER?

Rain won't bother your plans, thanks to the waterproof display. You'll get wet only a little bit because you'll quickly reach your destination.

DO YOU COMMUTE TO WORK?

Stay fresh and full of energy before an intense day in the office. Don't waste time in the traffic, and take care of the environment!

DO YOU PREFER FLAT COURSES RATHER THAN DRIVEWAYS?

Now everything seems flat, any driveway won't be a problem!

WOULD LIKE TO SPEND WEEKEND OUTSIDE THE TOWN?

Even a long distance trip won't be a problem! Enjoy the views and beautiful weather and all of these with minimal fatigue!

Meet our electric lady! E-engine supported bicycle that makes pedaling easy, yet still demands you to push the pedals if you want to move forward. **ELILLE 3** is supported with a Bafang Max Drive 250 Watts engine, located centrally. The Bafang 43V/10,4Ah battery attached to the rack takes approx. 6,5h to charge and it will allow you to ride for around 100 km. Control panel attached to the steering will allow you to choose from 5 different modes of support and will inform you about the battery level. An additional panel will show you information about your ride, like speed, distance, support level, etc.

Discover the **LILLE 7**, the highest model in the women's **utility** line. It's a typical inhabitant of a big city: busy, constantly at high speeds but always dashing with its modern design. Curbs, speed bumps and potholes are no longer an issue thanks to its front suspension and the cushioned seat post. Efficiency is crucial for #bikecitylife which is why the **LILLE 7** can be fitted with a large basket and panniers to carry all necessary items. Travel to work, go shopping, have a picnic with friends, everything is possible with the Lille.

The **VIRGINIA 3** is the queen of all Le Grands. It is the highest model from the **originals** line. Its classic design mixed with contemporary flair makes it a true eye-catcher. The traditional rear wheel cover to prevent skirts and dresses from getting tangled in the wheel is practical and stylish at the same time. The attention to detail is supreme with no compromises made.
